What is Social Work?

Social work is a practice-based profession and an academic discipline that promotes social change and development, social cohesion, and the empowerment and liberation of people. Principles of social justice, human rights, collective responsibility and respect for diversities are central to social work. Underpinned by theories of social work, social sciences, humanities and indigenous knowledge, social work engages people and structures to address life challenges and enhance well-being.

Social Work
WHY SOCIAL WORK AT KING’S
Generalist Program

King’s GENERALIST BSW program equips our graduates to work with

– Individuals
– Groups
– Families

as well as having an understanding of social policy, organizational contexts, and evidence based practice.
Real Experience Leads to Real Jobs

Over 80% of BSW grads gain employment in the social work field 6 - 9 months post graduation

85% of MSW grads gain employment within 4 months of completing program requirements
Our Community

• BSW program for over 50 years
• MSW for 15 years
• Fully accredited by the Canadian Association for Social Work Education (CASWE)
Best of Both Worlds

- BSW/MSW students are registered at King’s University College, affiliated with Western University.
- The School of Social Work is located at King’s.
- Students benefit from small campus with access to all the resources at Western University.
Small Classes

15 – 30 students in a class

Diverse faculty interests
