

Supplemental Questions MSW 2-Year Program

Instructions: when you have completed this document, please save it and upload it to your online application.

Applicant's name:

**Admission for September
2020**

1. Describe your personal and professional experiences and interests as related to your future career goals, and how they align with King's Master of Social Work program. Identify the population(s) that you would be interested in working with in the future and why. Are there populations that you wouldn't want to work with? Please explain and give examples. Maximum 300 words.

2. Describe the experiences and/or personal identities/characteristics, or qualities (e.g. disability status, racialized identity, gender, ethnic identity, sexual orientation, etc.) that you bring that would be helpful in working with diverse populations. Maximum 150 words.

3. What is your understanding of professional readiness for practice (values, ethics, principles of practice) in relation to social work? In terms of your professional readiness, what do you see as your personal strengths and what do you identify as areas for growth? Maximum 100 words.
